Established in 2006, **Mar Yapı** is a real estate development company embracing design and innovation to create benchmark communities for sophisticated end-users seeking enhanced lifestyle. It is this dynamic approach that has grown **Mar Yapı** to one of Istanbul's leading developers, a young company with a fresh approach, creating increased investor value with enduring projects that stand the test of time. With a slate of award winning projects, **Mar Yapı**'s approach is differentiated through exceptional quality, environmental consciousness, and new collaborations with the world's greatest architectural and design minds, to achieve the **Mar Yapı** mission of the realisation of perfection.

Rotana Hotel Management Corporation was founded in 1992, by a partnership between two visionary thinkers, Nasser Al Nowais and Selim El Zyr, who were joined three years later by Nael Hashweh and Imad Elias. Operating as Rotana, it opened its first property, the Beach Rotana Abu Dhabi in 1993 and is today one of the leading hotel management companies within the Middle East, Africa, South Asia and Eastern Europe.

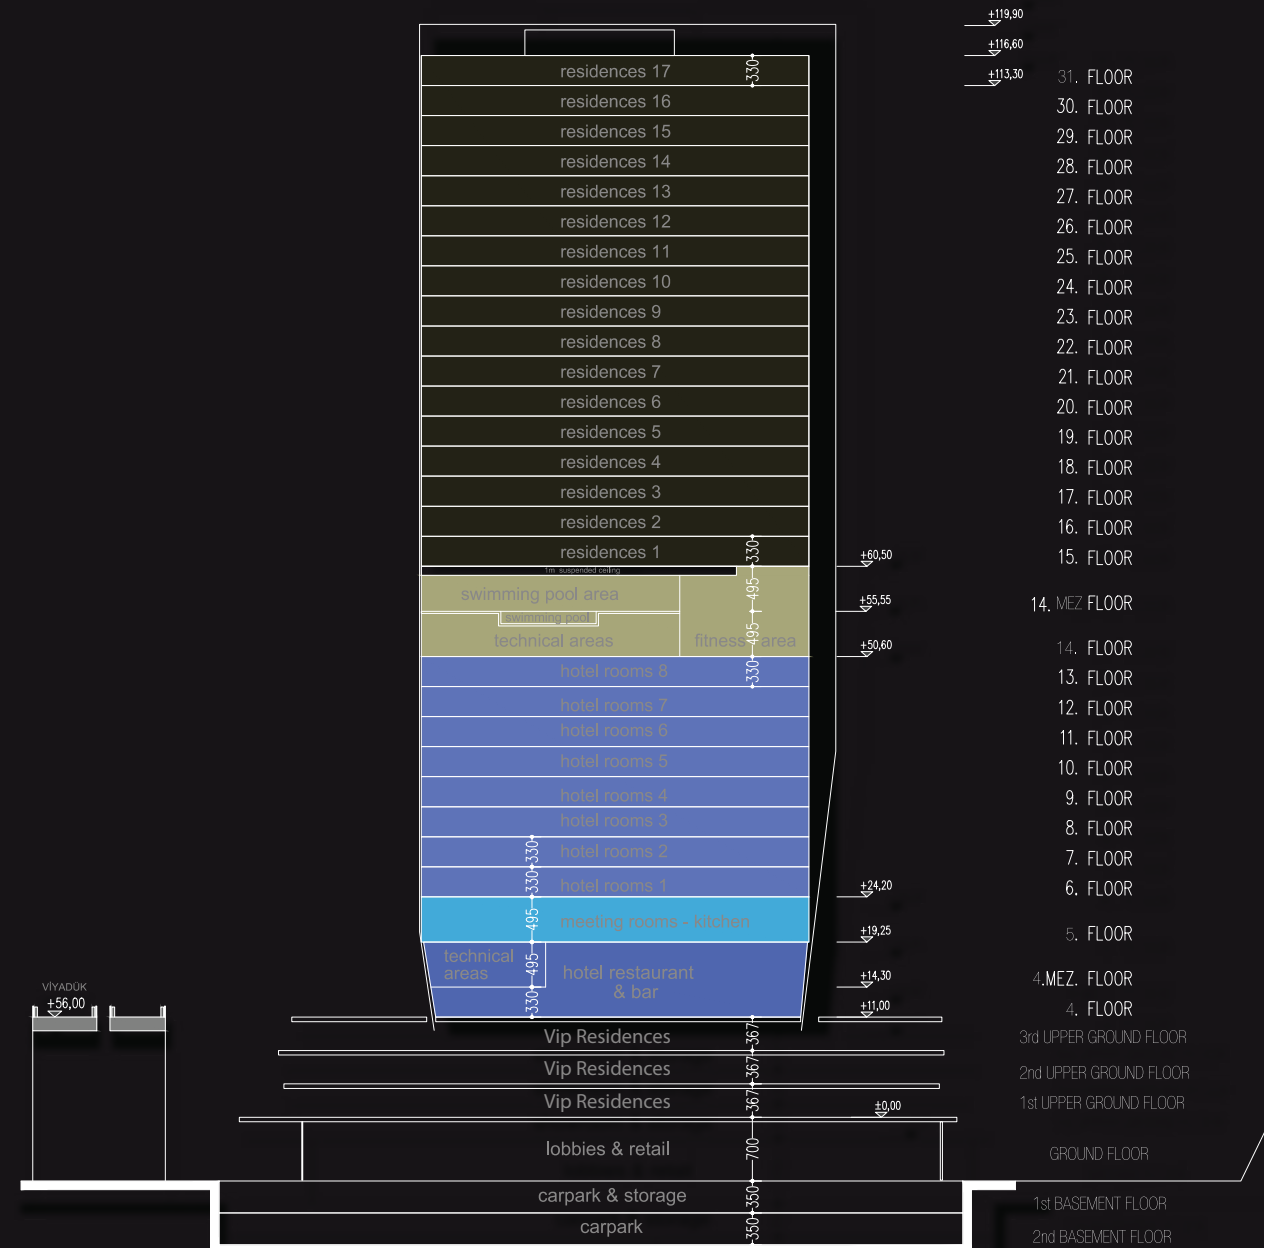

Rotana is a company offering the best of both worlds. A unique understanding of the culture and communities of the Middle East combined with the collective expertise of an executive team contributing over 35 years of international experience in the service industry. Rotana aggressive expansion plans are seeing the company grow from 2 properties in 1993 to a total of 100 by 2020. With several further properties planned for opening and new projects in the pipeline confirming the company's intention to have a Rotana managed property in all the major cities throughout the Middle East, Africa and Europe.

Welcome to the vibrant European side of İstanbul.
