

Kenan Toprak, the founder of our company, was born in 1966 in Rize. Previously, he started his father's profession in 1988 under the name of Toprak İnşaat in Alanya, for 30 years, as a company executive manager. In addition to the construction company, he worked as a manager for 8 years at the company built on aluminum, glass cladding, pvc and blinds systems under the name of Portrait P in Antalya. In 2006, he established another construction company under the name of Tbk Toprak Group, which is a construction company, and together with the partners of this company, he signed many projects in Alanya. Currently, it still continues its construction activities with the Tb Toprak Group company.

It is a production that has been completed in modern facilities such as Toprak Saray, Orange, Toprak Obagöl, Kaleşehir 1, Kaleşehir 2, Kaleşehir 3, Toprak Hatipoğlu, Toprak Panorama, Toprak River Star, Toprak Palace.

Our company's customers only sell property, the sales department provides a wide service, the teams consisting of Toprak Group and the people who adopt the principle of winning their love.

Our primary goal is to offer an ideal contemporary living space that is open to innovation in the sector. It still continues in this direction.
